EDUCATION & EMPLOYMENT

MIT, Postdoctoral Associate (2024-Current)

Center for Research in Equitable and Open Scholarship at MIT Library
saxelab at Brain & Cognitive Sciences Department

Harvard University, Postdoctoral Associate (2024-Current)

Thomas Lab at Department of Psychology

Harvard University, Researcher & Teaching Fellow (2023-2024)

Digital Scholarship Unit at Harvard University Library
Teaching Fellow for Introduction to Statistics for Behavioral Science

University of Chicago (2017-2023)

PhD in Experimental Psychology - Developmental Area

Dissertation Title: What's fair is unfair!: Children's contextual understanding of impartial rules

Dissertation Committee: Alex Shaw (Chair), Amanda Woodward, Lin Bian, & Fan Yang

Kalamazoo College (2013-2017)

B.A. of Psychology and Philosophy

Rheinische Friedrich-Wilhelms-Universität Bonn (Sept. 2015-March 2016)

PEER-REVIEWED PUBLICATIONS AND PROCEEDINGS

Social cognitive development

Hok, H., Morris, B., & Shaw, A., (R&R). Children believe fair rules are unfair when they are used inconsistently. *Psychological Science*.

Hok H. & Thomas, A. J., (Commentary Under Review). Relationship-bound roles and the Institutional Stance: The question of role-filler independence in social cognition. *Brain & Behavioral Sciences*.

Ayalon, O., **Hok, H.**, Shaw, A., & Gordon, G. (In press). From Children to Toy Trucks, and Robots Too: Exploring Children's Fairness Perceptions. *Computers in Human Behavior Reports*.

Hok, H., Thomas, A.J., & Saxe, R., (2025). Written in stone: Lay intuitions about the emergence of formal rules. *Proceedings of the Annual Meeting of the Cognitive Science Society*,

Hok, H., Silva, G., Shaw, A., & Yang, F. (2025). Who should have a voice? Children's evaluations of universalist versus exclusive voting. *Journal of Experimental Psychology*:

General.

Hok, H., Gerdin, E., Zhao, X., & Shaw, A. (2025). When should the majority rule?: Children's developing intuitions about majority rules voting. *Cognition*, 260, 106128.

Richardson, E., **Hok, H.**, Shaw, A., & Keil, F.C. (2025). Herding cats: Children and adults infer collective decision speed from team size and diversity, but disagree about whether consensus strength matters more than team size. *Cognition*, 263, 106211.

Santhanagopalan, R., **Hok, H.**, Shaw, A., & Kinzler, K.D. (2025). The ontogeny of attitudes toward migrants. *Developmental Science*, 28(2), e13599.

Hok, H.*, **Vasquez, K.***, Barakzai, A., & Shaw, A. (2024). The nonmeek inherit the earth: Children generalize dominance, but not submissiveness. *Developmental Psychology*, 60(7), 1187.

Ayalon, O., **Hok, H.**, Shaw, A., & Gordon, G. (2023). When it is ok to give the robot less: Children's fairness intuitions towards robots. *International Journal of Social Robotics*, 15(9), 1581–1601.

Richardson, E., **Hok, H.**, Shaw, A., & Keil, F., (2023). Herding cats: children's intuitive theories of persuasion predict slower collective decisions in larger and more diverse groups, but disregard factional power. *Proceedings of the Annual Meeting of the Cognitive Science Society*.

Hok, H., Martin, A., Trail, Z., & Shaw, A. (2020). When children treat condemnation as a signal: The costs and benefits of condemnation. *Child Development*, 91(5), 1439–1455.

Digital scholarship

Cook, M., **Hok, H.**, He, H., & Lischer-Katz, Z. (2026). Immersive quality control for 3D data curation. *Information Research an international electronic journal*, 31(iConf), 900-921
(Nominated as a finalist as best full research paper)

Thomas, A.J., **Hok, H.**, Bourg, C., & Saxe, R., (2026) Support for Open Science is Equally High in Opt-In versus Representative Samples of Scientists from a Research-Focused U.S. University. *Quantitative Science Studies*.

Mills, N., **Hok, H.**, Dressen, A., & Veillas, Q. (2025). The design and evaluation of an interactive AI companion for foreign language writing. *Foreign Language Annals*, 58(1), 40–69.

INVITED TALKS

Hok, H. (2026, April). *Children's evaluations of rules and their role in group coordination*.
Invited talk presented at the **Developmental Studies Brown Bag, University of Chicago**

Hok, H. (2026, March). *Children's evaluations of rules and their role in group coordination*.
Invited talk presented at **MAC lab, Duke University**

Hok, H. (2026, January). *The Psychology of Legitimacy: Tracing the childhood origins of trust in democratic institutions*. **Invited lecture presented at CEU Democracy Institute.**

Hok, H. (2025, November). *Children's evaluations of rules and their role in group coordination*. **Invited talk presented at the Lab of Developmental Studies Seminar, Harvard University**

Hok, H. (2025, October). *Children's evaluations of rules and their role in group coordination*. **Invited talk presented at ECCL Meeting, MIT**

Hok, H. (2024, October). *What's fair is unfair: Children's beliefs about flexible use of impartial decision-rules*. **Invited talk presented at the Lab of Developmental Studies Seminar, Harvard University.**

Hok, H. (2024, June). *What's fair is unfair: Children's beliefs about flexible use of impartial decision-rules*. **Invited talk presented at the Thomas Lab Meeting, Harvard University.**

Hok, H. (2024, May). *What's fair is unfair: Children's beliefs about flexible use of impartial decision-rules*. **Invited talk presented at the Saxelab Meeting, Massachusetts Institute of Technology.**

Hok, H., Martin, A., Trail, Z., Gerdin, E., Zhao, X., & Shaw, A., (2020, June). *Children's early inferences about moral condemnation and majority rules to make decisions for groups*. **Invited lecture presented at Spring 2020 Emerging Research In Collective Intelligence Webinar hosted by Institut Jean Nicod and UM6P.**

Hok, H., Martin, A., Trail, Z., Gerdin, E., Zhao, X., & Shaw, A., (2020, December). *Politics on the playground: children's intuitions about majority rules voting and procedures for group decision-making*. **Invited talk at University of Michigan Language & Cognition Brownbag, Virtual.**

Hok, H., Gerdin, E., Zhao, X., & Shaw, A. (2020, December). *Politics on the playground: children's intuitions about majority rules voting and procedures for group decision-making*. **Invited talk at Morality Lab at Boston College, Virtual.**

Hok, H. (2021, December). *Politics on the playground: children's intuitions about majority rules voting and procedures for group decision-making*. **Invited talk at University of Chicago Developmental Brownbag.**

SELECTED CONFERENCE PRESENTATIONS

Hok, H., Thomas, A.J., & Saxe, R. (2026, May). *Written in Stone: Adult and children's inferences about when rules are formalized*. **Upcoming talk at HBES, Rabat, Morocco, 2026.**

Hok, H., Wang, Y., Abdellatif, A., Deligianni, A., Cetinkaya, Y. M., & Elmas, T. (2026, May). *Grievance Politics vs. Policy Debates: A Cross-Platform Analysis of Conservative Discourse on*

Truth Social and Reddit. Upcoming talk at ICWSM, Los Angeles, 2026

Hok, H., Silva, G., Shaw, A., & Yang, F. (2025, April). *Children's intuitions about majority rules as a decision-making procedure*. Talk presented at Society for Research in Child Development, Minneapolis 2025.

Hok, H., Gerdin, E., Zhao, X., & Shaw, A. (2021, April). *Children's intuitions about majority rules as a decision-making procedure*. Talk presented at Society for Research in Child Development, Virtual Conference.

Hok, H. & Shaw, A., (2021, April). *Children's understanding of the use of impartial procedures to advantage the self*. Talk presented at Society for Research in Child Development, Virtual Conference

Hok, H. & Shaw, A. (2020, March). *Children's sensitivity to the use of impartial decision-rules to advantage the self*. Poster presented at the BCCCD, Budapest, Hungary.

Hok, H., Gerdin, E., & Shaw, A. (2019, March). *Children's early inferences about voting & majority rules*. Talk presented at the Protopolitical Thought Preconference during Cognitive Development Society Conference, Baltimore, MD.

Hok, H., Martin, A., Trail, Z., & Shaw, A. (2019, March). *When children treat condemnation as a signal: The costs and benefits of hypocrisy*. Talk presented at the Society for Research in Child Development, Baltimore, MD.

Hok, H., Gerdin, E., & Shaw, A. (2018, June). *Children's early inferences about voting & majority rules*. Talk presented at the Annual Development of Social Cognition Meeting, Chicago, IL

Hok, H., Martin, A., Trail, Z., & Shaw, A. (2018, July). *When children treat condemnation as a signal: The costs and benefits of hypocrisy*. Poster presented at the Society for Philosophy & Psychology, Ann Arbor, MI

Hok, H., Barakzai, A., & Shaw, A. (2017, April). *Children's inferences about whether power transfers across contexts*. Poster presented at the Society for Research in Child Development Conference, Austin, TX

Hok, H., Trail, Z., & Shaw, A. (2017, October). *When children treat condemnation as a signal: The costs and benefits of hypocrisy*. Poster presented at the Cognitive Development Society Conference, Portland, OR

PANELS & WORKSHOPS

Hok, H. (2025, July 21). Open Science Workshop. Summer Internship Program, Harvard University.

Mills, N., **Hok, H.**, & Dressen, A. (2025, April 12). *Rewriting foreign language education through AI* 230, Silver Lining for Learning Podcast.

Hok, H. (2024, May 2). *R & Data Analysis workshop*. Graduate School of Design, Harvard University.

Kestin, G., Miller, K., Mills, N., & **Hok, H.** (2024, May 2). *Research your teaching: A panel discussion*. Research-Informed Teaching & Learning TLC Affinity Group, Harvard University. Online via Zoom. Invited Panel for Harvard University's Research-Informed Teaching & Learning Group.

Hok, H. (2023). *Growing Up in Science*. Invited webinar, Psychology Department, New York University.

TEACHING EXPERIENCE

Teaching Fellow - Intro to Statistics for the Behavioral Sciences (Spring 2024)
Harvard University, Dr. Grace Lin

Teaching Fellow - Intro to Statistics for the Behavioral Sciences (Fall 2023)
Harvard University, Dr. Grace Lin

Teaching Assistant - Social Psychology (Winter 2021)
University of Chicago, Dr. YC Leung

Teaching Assistant - Developmental Psychology (Spring 2021)
University of Chicago, Dr. Kerry LeDoux

Teaching Assistant - Development of Social Cognition, (Winter 2020)
University of Chicago, Dr. Katie Kinzler

Teaching Assistant - Developmental Psychology, (Spring 2020)
University of Chicago, Dr. Kerry LeDoux

Teaching Assistant - Social Neuroscience (Winter 2019)
University of Chicago, Dr. Jean Decety

Teaching Assistant - Social Psychology (Fall 2016)
Kalamazoo College, Dr. Brittany Liu

SUPERVISION AND MENTORSHIP

Victoria Chen (Harvard University - Kranium fellowship, KURE fellowship, BLISS program awarded under my mentorship) Austin Brubaker (Harvard University), Amelia Clark (Harvard University), Cathy Xu (Harvard University), Ainur Khalloiola (Harvard University), Charlston Stovall (MIT), Samantha Holler (MIT), Gabriella Silva (University of Chicago), Leah Overman

(University of Chicago - senior thesis student), Eddie Mondeja (University of Chicago - senior thesis student), Liam Coles (University of Chicago - masters thesis student)

ACADEMIC SERVICE

Graduate Cross-Talks Initiative Co-Chair (2021-2022) University of Chicago

Interdisciplinary Approaches to Psychological Science Workshop Co-Chair (2021-2022) University of Chicago

Student Board Member (2019-2022) Cognitive Development Society

Ad Hoc Reviewer Child Development, Cognition, Nature Human Behavior, JEP:G, JSPS

Departmental Student Advisor (Sept. 2016-2017) Philosophy, Kalamazoo College

AWARDS AND FUNDING

- Kalamazoo College Dean's List (2013-2016)
- MI Competitive Scholarship (2013-2016)
- Campbell Scholarship for Integrative Cultural Research Project at Universität Bonn (2015)
- Harold and Evelyn Meyer Scholarship for Women in Arts and Humanities (2015-2016)
- CCPD Summer Internship Grant (2016)
- Donald Van Liere Excellence in Research Prize (2017)
- Norman H. Anderson Grant (2017)
- Norman H. Anderson Grant (2018)
- Norman H. Anderson Grant (2019)
- GC Travel Fund (2020)
- GC Personal Research Award (2021)
- GGI Fellowship (2022)
- Norman H. Anderson Grant (2022)
- GGI Fellowship (2023)
- Mellon Foundation (2024-2026)
